### Upcoming Changes in Filing Claims for Injuries at Work

As in the past, an employee must report any work-related injury to his/her supervisor. The injured employee's supervisor is responsible for filing a claim through the SSIF portal.

#### **The State Self Insurance Fund has sent the following announcement:**

*The State Self Insurance Fund (SSIF) is excited to announce the launch of a new web portal to enter claims electronically. When you access the link below, you can complete the required fields and submit the claim. The attachment contains the information required to submit a claim electronically. After submitting the claim, you will receive a confirmation email (to the email provided in the web portal claim submission process) along with a claim number. The information you entered will go directly into SSIF's database allowing for a real-time submission of the claim which will benefit the injured employee and assist the staff authorizing/directing medical treatment and answering questions in general in a more timely manner for the injured employee. All other documentation, return to work slips, etc. should be emailed to [wc1101a@ks.gov](mailto:wc1101a@ks.gov). There will be a transition period where SSIF accepts claims via paper, email, fax and web portal. Beginning November 1, 2017, SSIF will no longer accept mailed, faxed or emailed paper claim forms. All claims will need to be submitted through the SSIF web portal. If you have any questions, please contact SSIF at 785-296-2364 or via email at [wc1101a@ks.gov](mailto:wc1101a@ks.gov).*

You may access the SSIF portal through this link: <https://kansas.systemasoft.com/Sims/PortalNew.aspx?insurancelineid=1>.

If an employee suffers a life-threatening or limb-threatening injury at work, he/she should immediately be taken to the nearest Emergency Room. For less serious injuries, the employee should call/go to the Work Smart Clinic, located in the Hays Family Medicine Building, 2509 Canterbury, Hays, KS, phone 785-623-6270.

Additional information is available at [www.fhsu.edu/physicalplant/environmental-and-safety/work-related-injuries/](http://www.fhsu.edu/physicalplant/environmental-and-safety/work-related-injuries/).

## **Scope & Requirements Management**

**Tuesday & Wednesday, October 24 & 25; 9:00am to 4:00pm**

**Sternberg Museum**

Managing scope on a project is one of the most difficult and demanding jobs of a project manager. Pinning down the project scope starts with a clear understanding of the needs and expectations of the key stakeholders. It involves more than just knowing what needs done. It also requires knowing what not to do and how to manage the changes that inevitably come up during a project.

In this Management Development Center Workshop, participants will work in teams to develop a project charter, gather requirements, write a scope statement and create a Work Breakdown Structure (WBS), as well as learn to manage scope once the work begins.

This workshop is facilitated by Christina House. Please view the full details on our website:

<http://www.fhsu.edu/cob/mdc/Scope-and-Requirements-Management/>.

Because we partner with the Wichita State University Center for Management Development, this workshop is not complimentary to FHSU employees. However, you or someone you know, can register online here:

<http://cmd.wichita.edu/Courses/scope-requirements-management-in-hays-kansas/>.

Contact Hannah Hilker at (785) 628-4121 or [hehilker@fhsu.edu](mailto:hehilker@fhsu.edu) if you need assistance with registration.
